

## Sheila Fleet

We are a creative business designing and making jewellery at our workshop in Tankerness, Orkney. Situated close to Mill Sand beach in Tankerness, Orkney, our workshop is home to our workshop team, enamellers and office staff. Visitors can enjoy a FREE tour of our workshop and experience watching the jewellery being made as well as learning about the full making process of how Sheila brings her jewellery and designs to life.

Many of our tours are combined with a visit to our flagship shop, The Kirk Gallery & Cafe, located next to our workshop and office.

### Experience type

Workshop tour

### Experience details

On a jewellery workshop tour, you will be taken through the process of how Sheila's jewellery is designed and made. Learn about the important tools and techniques used, watch our enamellers add colour to designs using a traditional quill method, as well as the jewellers' setting gemstones and adding that final sparkle to the jewellery through polishing. Open Monday - Friday (tours available 10am - 4pm, weekends by appointment)

### Group sizes catered for

Up to 12

### Minimum booking number

N/A

### Café Seating Capacity

Booking is highly recommended and is essential for groups of 7 or more people. Pre-order will be required for bookings of 7 or more people.

### Booking conditions

Café bookings we require a minimum of 48 hours' cancellation notice for bookings of 7 or more people. If a deposit or full payment has been paid, a full refund will be issued if cancelled within this time. Workshop tour – Please give as much notice as possible for cancellation of booked workshop tours.

### Commission
